

# Earnings Call User Guide

## Attending the Earnings Call Electronically

Virtual Earnings Call facility gives you the opportunity to attend the meeting remotely, using your phone, tablet or computer. You will need to visit [www.investor-room.com](http://www.investor-room.com)

## Access Via Dial-In

### How to Join by Phone

If you prefer to join the meeting by phone, you can use our Dial-In feature. Simply call one of the toll-free numbers listed in the invitation email to start listening to the meeting.

### How to ask a question via Dial In?

1. Submit a request: press the star key (\*) to request to speak during the Q&A session.
2. Wait in the queue: You'll be placed in a queue and will continue to listen to the meeting's discussion until it's your turn to speak.
3. Moderator will alert speakers: The moderator will be notified that you are in the queue and will prepare the meeting for your question.
4. Ask your question: When it's your turn, the moderator will prompt you to ask your question verbally.
5. Return to listening: After you have finished your question, you can stay on the line to continue listening to the meeting.
